BUILDING HOPE

Archbishop Farrell has established a Task Force called Building Hope. The Task Force has been asked to begin with an assessment of the needs of the people of the Archdiocese emerging from Covid-19 and to work to support parish communities to undertake a radical renewal, looking to the future with creativity. Sharing your thoughts and experiences will be invaluable as we seek to enable the Archdiocese to act now so as to give effective witness and service in the years ahead.

The Task Force is inviting you to fill out online the consultation form which is on our website under the heading **"Building Hope"**. Please watch the video from Archbishop Farrell and discuss the future of the Church together with your family, and then make your contribution by filling out the form on line. Your opinion is important and will be valued.

FAMILIES WALKING TOGETHER IN HOPE

The 'Walking Together in Hope' initiative will be launched on **25th August 2021 at Saint Mary's Pro-Cathedral**. The Archdiocese of Dublin will provide some simple and achievable ideas for families and parishes starting in September 2021. We want to encourage families to take part in various initiatives to support faith lived in the home and celebrated together in our parishes. Our goal is to celebrate moments of hope and joy in family life, with resources suitable for learning, living and leading faith that are complementary to the way family is lived today.

Prayer for a Sick Friend

O Holy Spirit please come like a dove, shield and protect now the one that I love. Cover their wounds with Your grace feathered wings, shield them from sorrow, breathe hope songs within.

Tend with Your goodness the pain that they bear, heal now their sickness with miracle care.

Carry them high far above till they see Your rainbow of promise, real hope lies ahead.

I love them so dearly, so help me to be all that you, Jesus, would give out through me.
