Pastors Desk

Last Saturday was a lovely and special day for our children and their families on their First Holy Communion.

This Saturday, was likewise a special and important day for our young people who received the Sacrament of Confirmation. Like the First Holy Communion, this day was cancelled twice in the turbulent year we have gone through. Indeed, the importance of these days hit the headlines over the summer, with politicians saying one thing and bishops saying something else. With such publicity, it was a reminder how important these days are for so many who will and have received these sacraments.

We wish our young people and their families a great day, but more importantly, we pray that our young people be always open to the Holy Spirit in their lives and be guided always to make the right decisions. We congratulate their families and their teachers from St. Paul's who guided them last year in their preparation for today.

Confirmation Day, like the 1st Holy Communion Day, is a Parish event and so I thank the Parish staff, volunteers, musicians and everyone who through their contribution have helped to make this day special for our young people.
